Expanding the reach of Better Money Habits

We continually look for ways to provide resources to as many people as possible – where and how they like to be reached:

Bilingual resources

We offer BetterMoneyHabits.com in Spanish, [MejoresHabitosFinancieros.com](https://mejorshabitosfinancieros.com), to help Spanish-speaking users take steps to improve their personal finances.

Integration with banking tools

Bank of America's mobile app; Erica, the bank's AI-driven virtual financial assistant; and Life Plan, a personal digital experience enabling clients to set and track goals, all leverage Better Money Habits resources.

Audience research

We conduct original research and observe the money mindset of young adults to understand their experiences and concerns. Most recently, we explored the financial priorities and challenges of [Hispanic Millennials](#) and [Gen Z](#) to help enhance our ability to meet their financial needs with resources and guidance throughout their financial journey.

Live money coaching

We work regularly with nonprofit partners to foster economic mobility and to engage employees around the country to deliver [Better Money Habits](#) content and tools directly to individuals and families. Thousands of Better Money Habits Volunteer Champions also help deliver financial lessons, hosted on-site at an organization, in one of our local Community financial centers, or even online for virtual workshops.

Educational materials

Our online [Education Resource Center](#) supports our partners and community of volunteers with lessons and tools to deliver Better Money Habits easily and effectively to clients and members of our communities.
